

HJS PTSO – Where Does Our Money Go?

NORMAL YEAR EXPENSES

Due to remote learning last spring, we did not have some of our normal PTSO expenses, like the Mobile Cone for Field Day and DC scholarships, plus we had reduced expenses for dances and rewards due to canceled events. The surplus money went towards additional school gifts.

Last year's School Gifts included new picnic tables for the lawn, a water bottle filler for the lobby water fountain, HJS signs for the cafeteria and over the stage, lots of items for our Band and Art programs, full-length mirrors for the locker rooms, a portable speaker with wireless microphones, and more.
